

Abstract Submission coming soon!

We are pleased to announce that Abstract submission will open

February 21, 2020!

ACPID is one of the most prominent events in pediatric infectious diseases in Asia. The scientific program this year will take in the most critical issues in pediatric infectious diseases, with experts from around the world making this congress a stimulating arena for in-depth discussion on recent advances.

Abstract Topics

Antibiotic Stewardship and Infection Control	Antimicrobial Agents: Resistance, PK/PD Analysis, TDM
Bacterial Infections	Congenital and Perinatal Infection
Diagnostic Microbiology	Emerging and Zoonotic Infections
Fungal Infections	Global Child Health/Public Health
Host-Pathogen Interactions	Immunization and Vaccines
Infections in the Immunocompromised Host	Microbiome in Pediatric Infectious Diseases
Tick-Borne Infections	Tropical Diseases
Viral Infections	Others

Guidelines for abstract submission are available.
